Millburn Institute of Talent Sponsorship

Millburn Institute of Talent is a not-for-profit organization incorporated in the State of New Jersey for the purposes of teaching Chinese language, promoting Chinese culture, and promoting cross cultural exchange with local communities. It was found by a group of enthusiasts who love the Chinese culture, care about the development of the next generation, understand community needs, and have a long history of serving the community.

Besides Chinese classes, we offer a variety of other classes and CSL (Chinese as Second Language). Apart from teaching, we also organize parent activities, establish youth clubs, and expand our social network. We welcome all students and parents to join us to celebrate and enjoy Chinese culture.

we currently offer three levels of sponsorship for business and individuals. The sponsorship will be valid for a whole year, from September 1st of the current year to August 31st of the next year.
